## Blanket Weather \* \* \*

## \* \* \* and Blanket Talk.

Grey skies and biting winds suggest warmer articles of wear. Good bed coverings are essential to good health. The healthiest people are those who use lots of good warm covering and leave the windows open. They breathe the good atmosphere of West Texas and arise in the morning exhilarated and well. Our blanket stock was selected with due regard for goodness as well as warmth. It contains nothing if not values of the choicest kind. Come and see them. We are making prices a strong inducement at our store. You'll save money by coming and we'll make a customer.
